New Harbinger Publications, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. A cancer diagnosis can be terrifying, and the first thing a patient wants to know is: How am I going to survive this? Written by a radiation oncologist and cancer researcher, Taking Charge of Cancer offers an insider's guide to help readers understand cancer treatment options, choose the very best medical team, and be their own advocate. With this compassionate yet pragmatic guide, cancer patients will be better prepared to navigate the reality of their difficult diagnosis with knowledge and hope. A critical resource for anyone with a cancer diagnosis. Written by a radiation oncologist and cancer researcher, Taking Charge of Cancer offers an insider's guide to understanding and receiving the best treatment options, choosing the right medical team, and approaching this difficult time with knowledge and hope. Receiving a cancer diagnosis can be terrifying, and the first thing you probably want to know is: How am I going to survive this? Cancer care requires decisions from numerous professionals, delivering treatments that are potentially life-saving, but also potentially dangerous and life-threatening. The chances of cure and survival for any given patient depend on the expertise of the cancer team, and whether procedures are in place to ensure that cancer care is delivered properly. So, how can you make sure you choose the right treatment team and ensure the best chances of survival and long-term health after being diagnosed with cancer? Taking Charge of Cancer is a different type of book for cancer patients—one that goes beyond the cancer information that is currently available, allowing you to truly take control of your cancer treatment. You'll learn how to obtain and understand medical records, and why these records are critical to your care. You'll also find...
