The Criminal Justice System in the United States is possessed by the spirit of vengeance! The proof is that as a nation we lead the entire world in locking up its people with the largest prison population, the highest incarceration rate, and with the longest and harshest penalties. Whats worse is that once you get caught up in the system you will continue to serve time long after your sentence has been completed. Whether you were a career criminal or a first time offender; a felony conviction will follow you For the rest of your life! As a first time offender. I have lived my life on the road of infamy for over 28 years! Trying to get my name back and rebuild my life has been an arduous journey. Ive suffered tremendously from the collateral consequences of criminal convictions laws that have blocked me from prospering and has made my life mediocre at best. This book is about what myself and others like me have lived through as well as how it effected me and those around me. It is a glimpse into the turbulent life a convicted felon who has paid their debt to society yet is still serving time even though theyve been released from the system. Its a revelation to those have been on this journey for any length of time, a warning to those who are about to start, and a wake up call to everyday Americans who dont think this could happen to them! This book is a eye opening account of just how the spirit of vengeance keeps those who get caught up in the criminal justice system, sentenced for life! How mass incarceration is a...
