This book will: -Give practical ways to recognize and cope with different stages of illness -Provide helpful information about medical terms, procedures, and treatments -Offer suggestions on how to remain emotionally, spiritually, and physically healthy -Cite ways to identify and accept outside help from family and friends -Help family and friends understand what caregivers experience and suggest ways to help and encourage them. -Suggest personal steps to work through the grieving process -Give help for the present and hope for the future More than anything else, the book reminds caregivers that no matter how dark the way may seem, God is still there. No matter how dim the future may look, he is there. No matter what...
