Naxos Audiobooks on Brilliance Audio, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. One of the most important books of the growing feminist movement of the 1950s, it was brought to a wider public by the Nobel Prize award to Doris Lessing in 2007. Authoress Anna Wulf attempts to overcome writer s block by writing a comprehensive golden notebook which draws together the preoccupations of her life, each of which is examined in a different notebook: sources of her creative inspiration in a black book, communism in a red book, the breakdown of her marriage in a yellow book, and day-to-day emotions and dreams in a blue book. Anna s struggle to unify the various strands of her life--emotional, political and professional--amasses into a fascinating encyclopaedia of female experience in the 50s. In this authentic, taboo-breaking novel, Lessing brings the plight of women s lives, from obscurity behind closed doors, into broad daylight. The Golden Notebook resonates with the concerns and experiences of a great many women and is a true modern classic, thoroughly deserving of its reputation as a feminist bible. A notoriously long and complex work, it is given a new life by this--its first unabridged recording.
