Reviews

Excellent electronic book and helpful one. Better then never, though i am quite late in start reading this one. You wont truly feel monotony at whenever you want of your time (that's what catalogues are for relating to when you question me).

PRIMER OF ELOCUTION AND ACTION (CLASSIC REPRINT) (HARDBACK)

Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Primer of Elocution and Action XIX. This will, it is believed, aid in keeping each subject more completely apart from the others than if the ordinary method of numbering were followed. Little will be found here relating to emotional expression; such work belongs to a later period of mental development than was contemplated in preparing this manual. The painful exhibition of precisions, hot-house passion has no part in the author's scheme of education. Even those of more mature years who may find this manual useful are advised to thoroughly master its precepts before saying higher things. The great essential is a solid foundation of conversational delivery. Emotion that is, genuine will find its own outlet, if the channels of expression are free.
