Gas combustion and applications (4th ed general civil disciplines of higher education teaching Eleventh Five Year Plan)

By -

paperback. Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Pages Number: 479 Publisher: China Construction Industry Pub. Date :2011-08-01 Version 4 by Tongji University compiled a gas combustion and Applications (fourth edition) for the college building environment and equipment engineering steering committee planning Recommended materials. The book is 16 chapters. including: gas combustion calculations. gas combustion reaction kinetics. gas combustion air mixing process. the gas flame burning. gas burning method. diffusion-type burners. atmospheric burner. fully premixed combustion devices. special burners. gas interchangeability. civilian gas appliances. gas industrial furnace. industrial furnace waste heat recovery gas. gas industrial furnace thermal calculation. gas industrial furnace aerodynamic calculations. gas application of new technologies. Gas Combustion and Applications (fourth edition) may also be used in gas. natural gas. liquefied petroleum gas and biogas energy utilization of the design. operation and management personnel research and reference. Contents: Chapter gas combustion gas heat value calculation section Section III combustion air required for complete combustion of the fourth quarter run-time calculation of the CO content in flue gas and gas-fired combustion excess air coefficient V temperature and enthalpy of combustion gas temperature map Chapter chemical reaction kinetics...

Reviews

It becomes an amazing pdf that I actually have ever go through. This is for those who statte that there had not been a worth reading through. You will like how the author create this pdf.

-- Prof. Lonie Roob

Thorough guide for pdf fanatics. We have read through and i also am confident that i will gonna read once more once more later on. You wont sense monotony at whenever you want of your own time (that's what catalogues are for concerning in the event you request me).

-- Davon Senger
