

Stories in StoneParis: A Field Guide to Paris Cemeteries and Their Residents

By Keister, Douglas.

Gibbs Smith. 1 Cloth(s), 2013. hard. Book Condition: New. As much as Paris is the city of lights, love, and art, it is also a city of the dead, with seven million people interred in the catacombs of Montparnasse alone. Elaborate memorials celebrate the lives and mark the remains of the city's most famous citizens, from Victor Hugo to Serge Gainsbourg, as well as permanent expatriates like Jim Morrison. It seems only fitting that Douglas Keister should follow up *Forever L.A.* and *Stories in Stone New York* with this surprisingly delightful linen-bound guide to Paris's most beautiful cemeteries, with hundreds of photos and descriptions of notable resting places. The book also includes a removable two-sided watercolor map of the grounds of Cimetière Père-Lachaise. 244.
