

## Radicals : Outsiders changing the world

By Jamie Bartlett

Windmill Books Random House UK Dez 2017, 2017. Taschenbuch. Condition: Neu. Neuware - 'Thoughtful and intelligent' Observer 'Inside the anti-political revolt that gave us Brexit and Trump' Evening Standard 'Fascinating. Excellent.' Literary Review In the last few years the world has changed in unexpected ways. The power of radical ideas and groups is growing. What was once considered extreme is now the mainstream. But what is life like on the political fringes What is the real power of radicals Radicals is an exploration of the individuals, groups and movements who are rejecting the way we live now, and attempting to find alternatives. In it, Jamie Bartlett, one of the world's leading thinkers on radical politics and technology, takes us inside the strange and exciting worlds of the innovators, disruptors, idealists and extremists who think society is broken, and believe they know how to fix it. From dawn raids into open mines to the darkest recesses of the internet, Radicals introduces us to some of the most secretive and influential movements today: techno-futurists questing for immortality, far-right groups seeking to close borders, militant environmentalists striving to save the planet's natural reserves by any means possible, libertarian movements founding new countries, autonomous...
