

The Importance of Being from Oshkosh: Looking Back at The Great Depression, World War II and The Cold War Years (Paperback)

By John Livingstone

AUTHORHOUSE, United States, 2004. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Growing up in a depression-wracked small Wisconsin city, John Livingstone, craving adventure, escaped to the outside world by enlisting in the U.S. Army. He became a tiny cog in a well-oiled killing machine, General Patton's Third Army. At war's end in Europe he faced another set of adversaries: deserters and black marketeers as an army criminal investigations agent in London and Paris. Three tumultuous years followed at the University of Wisconsin, culminating in a B.A. in International Relations and an invitation to join the Central Intelligence Agency in June, 1950. After a year-long bout with the Polish language at Presidio of Monterey, California, Livingstone served as an intelligence officer in Central Europe. In 1954 he returned to civilian life and established a photography and public relations business in Carmel. In 1967 he earned a master's degree in Spanish Literature at the University of California, Santa Barbara. Residence and travel in Europe from 1969 on enabled him to amass an extensive collection of documentary photos of the life and times of the people of Europe, resulting in a retrospective exhibition, Fifty...
