Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.I remember writing these poems during my stay at university. I decided that the content of my collection was not so personal after all and that it could be something in which others could reflect or confront. So I decided to publish it. It has to do with people I've met during that time but also about me and who I thought I was; being a period of changing, more than adolescence let me say, I think I had not to find what I wanted to be but to discover my old me again, who I forgot to be. I still don't know if I ever succeeded in it. It is for all ages. Basically, it is about the feelings of a girl who is a woman inside, though she doesn't know yet. Anne Sidney Mills.
