Poisoned Pen Press, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Everyone in the charming Hudson Valley town of Oak Falls expected Flynn Keegan, their handsome blond Golden Boy to make it big in Hollywood. So when veterinarian Kate Turner identifies a bone dug up by one of her dog patients as human, no one thinks back ten years to remember Flynn. Until DNA and a smashed skull prove he was murdered. With few clues available to the forensic team, the grieving family begs Kate to investigate. His four closest friends plead ignorance. Neighbors and teachers remember the charismatic young man but offer no real help. Meanwhile, Kate is juggling her eccentric house call clients, a silly pot-bellied pig wedding and the sudden re-appearance of an old college boyfriend. Anthropologist Jeremy Engels, who returns like Indiana Jones from an African dig, is eager to rekindle their romance and offer his help. Together, they plan to crash Flynn s high school reunion, a re-creation of his senior prom, and interview his fellow students. Time isn t of the essence with a ten-year-old cold case. Right? Her Gramps is convinced the killer is long gone, just like the illegally captured brown bear she helped save, now roaming free in the woods. But Kate soon discovers that chains of love can be as strong as those made of steel - and some deadly secrets have put her next on the kill list.
