Reviews

It is really an awesome ebook which i have ever go through. It is actually writer in straightforward terms and not confusing. I am very easily could get a satisfaction of reading a written ebook.
(Clotilde Wiegand)

THE STAR OF SEVILLE: A PLAY (TIMELESS CLASSICS)

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 68 pages. Dimensions: 7.8in. x 5.1in. x 0.2in. The Star of Seville is frequently cited as the best example of the Spanish honor play, a form popular during that countrys Golden Age of drama and related to similar productions in France and England during the sixteenth and seventeenth centuries. Sancho IV, king of Castile, is delighted with his welcome to Seville, and he is especially charmed by a black-haired beauty he catches sight of on a balcony. The alcaides of the city identify her as Estrella Tabera, the Star of Seville. King Sancho whispers orders to his confidant, Arias, telling him to arrange for the monarch to visit Estrella the next evening. He also sends for Estrellas brother, Don Bustos Tabera, in the hope of winning his agreement to the royal suit. Flix Lope de Vega y Carpio (25 November 1562 27 August 1635) was a Spanish playwright and poet. He was one of the key figures in the Spanish Golden Century of Baroque literature. His reputation in the world of Spanish literature is second only to that of Cervantes, while the sheer volume of his literary output is unequalled, making him one of the most prolific authors in the history of literature. This item ships from La Vergne, TN. Paperback.
