This new Giant variety with its immense deeply frilled blooms of pure Roman gold is our largest Daffodil. Beautifully proportioned despite its giant size, it has a flaring loud speaker trumpet which is unique. Our best new giant yellow trumpet. 1 for 350; 3 for 950; 12 for \$3 20. When you buy Armstrong Bulbs you get only full size, carefully cured, quality bulbs which will produce superior blooms for you, satisfying in size and color. You will note that this year our prices have been kept down in spite of world conditions, and we assure you that our bulbs are of the same superior quality handled in past seasons. About Varieties - Your garden and our catalog are both too small to hold the innumerable varieties of bulbs available. We offer you out of each main group the outstanding standard tested varieties that thrive best in California, and also a few of the outstanding new bulb introductions. We have listed those varieties we would plant in our own garden. Where there are several varieties which are almost identical except for certain minor differences, we list only that variety which has been tested the most thoroughly and is the best value.
