Ransom Publishing, United Kingdom, 2007. Paperback. Condition: New. Language: English . Brand New Book. It s a few days before Donna s birthday, but her parents just can t afford to throw her a big party. To make matters worse, people are acting strangely around her. Her two older sisters don t want to come to her childish party, and the Sisters don t seem to want to talk about her birthday at all! Has Donna done something wrong? This book is part of the very popular series Siti s Sisters, featuring Siti and her group of friends, who are so close they call themselves The Sisters. This is a short, low-level chapter book, with an easy-to-read, fast-moving narrative and is part of Set 1, which is suitable for ages 10+. The issues presented are, as always in this series, relevant and appealing to girls of this age. The Sisters are here!.
