SUPERVISION ESSENTIALS FOR INTEGRATIVE PSYCHOTHERAPY (PAPERBACK)

American Psychological Association, United States, 2016. Paperback. Condition: New. Language: English. Brand New Book. This book presents integrative supervision applicable to integrative and single-system psychotherapy alike. Distinctive features include its synthesis of supervisory methods aligned with multiple theoretical traditions, a research-informed fit of supervision to the individuality of the supervisee, its insistence on frequent feedback from both clients and trainees, and a modeling of the philosophical pluralism and pragmatic flexibility of integration itself. In reviewing videotaped therapy sessions, integrative supervisors...

Reviews

Unquestionably, this is actually the very best job by any article writer. I have read and that i am certain that i am going to planning to go through once again once more in the foreseeable future. I realized this publication from my i and dad advised this pdf to find out.

-- Rusty Hamill Sr.

This book is really gripping and interesting. Of course, it is actually perform, still an interesting and amazing literature. You will not truly feel monotony at whenever you want of your time (that's what catalogues are for concerning when you request me).

-- Claud Schaden
