It is just one of my personal favorite publications. It is among the most awesome publications I have read. It is extremely difficult to leave it before concluding, once you begin to read the book.

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Great Public Debate on the Question Is Life Worth Living, Vol. 5 Health is largely a matter of one s thought. I am not a Christian Scientist, but I know most people are well when they think least about themselves; that they think least about them selves when they are most well. A person with a-little the matter with him can make it infinitely worse if he chooses. Of course he can. I have already said that sickness exists. I am going to leave Mr. Darrow to find all these horrors for you; he will find them. I admit all these things exist. It is unfortunate that they exist. I am sorry for the man who is suffering physical pain. I am sorry for the man who is suffering the absolute privations due to poverty. I am sorry for the man who suffers from the meanness and wickedness of other people. Yes, sorry for all those things. But, after all, we often make things much worse than they need to be.
