## FREEDOM AND ORTHODOXY: ISLAM AND DIFFERENCE IN THE POST-ANDALUSIAN AGE (PAPERBACK)

DOWNLOAD

Stanford University Press, United States, 2004. Paperback. Condition: New. New. Language: English . Brand New Book. This book argues that the clash of civilizations that is supposed to be a feature of the post-Cold War environment is not necessarily caused by the dogma of world religions or cultural incompatibilities but by the inflexible and hegemonic universalisms that have characterized world history since 1492-a cultural outlook that Majid terms post-Andalusianism. The all-encompassing worldviews of Euro-American ideologies have resulted in the retreat of Islam and other non-European traditions into dangerous orthodoxies and a growing climate of suspicion, fear, and terror. Freedom and Orthodoxy offers an alternative to perennial discord, suggesting that the world needs a philosophy of the provincial, one that reattaches individuals and societies to their heritages and memories but connects them to the rest of the world in solid, non-alienating, meaningful ways. For this to happen, Majid contends, globalization must be reimagined as a network of human solidarities and rigorous conversations across the world s multiple cultures, not as a mechanical process of economic expansionism.
