

How to Play Chess Endings (Paperback)

By Eugene A. Znosko-Borovsky

Dover Publications Inc., United States, 2012. Paperback. Condition: New. New edition. Language: English . Brand New Book. How many chess players really know what to do in the end game? More is demanded in this stage of the game than in any other, and the knowledge and imagination that saw you through the opening and middle game are just not enough to carry you through the end game also. You need a thorough knowledge of the principles of chess endings, and this book is an excellent introduction to those principles. World-famous chess teacher Eugene Znosko-Borovsky clearly explains the importance of tempo, the rule of the triangle, the idea of related squares, the power of the pawn and king, and the versatility of the rook. Each piece is studied individually, and many common end game situations are considered. Drawing on games from such master players as Morphy, Marshall, Steinitz, Capablanca, Alekhine, Lasker, and Botvinnik, Znosko-Borovsky shows you how to think during the end game no matter what pieces you may have or what situation you may be in. Special consideration is given to the theory of positional play, the conception and execution of a plan, and the recognition of tactical opportunities....
