

Recovering Shakespeare's Theatrical Vocabulary

By Alan C. Dessen

CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 2006. Paperback. Book Condition: New. Reissue. 212 x 140 mm. Language: English Brand New Book ***** Print on Demand *****.In this rigorous investigation of the staging of Shakespeare's plays, Alan Dessen wrestles with three linked questions: (1) what did a playgoer at the original production actually see? (2) how can we tell today? and (3) so what? His emphasis is upon images and on-stage effects (e.g. the sick-chair, early entrances, tomb scenes) easily obscured or eclipsed today. Basing his analysis on the 600 English professional plays performed before 1642, Dessen identifies a vocabulary of the theatre shared by Shakespeare, his theatrical colleagues and his playgoers, in which stage directions do not admit of neat dictionary definitions but can be glossed in terms of options and potential meanings. To explore such terms, along with various costumes and properties (keys, trees, coffins, books), is to challenge assumptions that underlie how Shakespeare is read, edited and staged today.

Reviews

This published book is wonderful. It is really simplified but unexpected situations within the fifty percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Dr. Janis Reilly

The best pdf i ever study. We have go through and so i am confident that i will gonna study again once again down the road. You are going to like the way the blogger compose this pdf.
