It won't only be the words that get readers tongue-tied these wacky, witty, and wonderful illustrations by Seymour Chwast will have everyone speechless with delight! Chwast, the artist and co-founder of the infamous Pushpin Studios, had an enormous influence on design and illustration everywhere. Now, he brings his unique perspective to 25 of the most entertaining tongue-twisters ever some familiar and others less so. He's created vibrant, original work that constantly surprises and amuses, whether it's his Heidi-like maiden with a small figure skiing down her dress in My Swiss miss misses Mississippi or his merry moose from Manitoba happily wearing moccasins from Minnetonka. No one will be able to resist the challenge of trying to wrap his or her tongue around such twisters as Giddy gladiators grow gladiolas and If Shep chews shoes what shoes will he choose? Attractively packaged, and with a debossed cover, this is Chwast's first original book in years. It's sure to become a favorite in every family's library, whether to stimulate some fun verbal stumbles or just to pour over with pleasure.
