Elsevier - Health Sciences Division, United States, 1998. Hardback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. This comprehensive text explains the diagnostic and optometric management procedures involved in the care of patients with binocular vision anomalies. It is a clinically oriented text that can be used by the student as well as the clinician. It provides thorough descriptions of the many binocular vision anomalies, describes the necessary testing procedures to correctly diagnose each disorder, and suggests the most appropriate management. Featuring many illustrations, photos and case studies, particularly on strabismus and incomitant deviations, it presents an orderly practical approach to diagnosis, differential diagnosis and treatment decision making.* Every topic area in binocular vision anomalies is included, from heterophoria and accommodative disorders to severe strabismic disorders. * Discusses not only the most common forms of treatment for a particular anomaly, but also discusses less known but deserving treatment alternatives, providing the reader with an understanding of the full range of treatment possibilities. * In each chapter, an anomaly is identified, then classified according to its significant symptoms and clinical findings. Once a diagnosis is certain, the appropriate forms of treatment are discussed. * Editors Rutstein and Daum are well known and respected in their field. They are scientists who have lectured extensively, have written many articles and have a wealth of clinical experience. * Organized to take the reader from the base to the tip of the pyramid of binocular vision. Sensory anomalies are discussed first, integrative anomalies next, and motor anomalies last. * An invaluable reference for both optometrists and ophthalmologists. * Features many references and case studies. * Contains approximately 309 illustrations and photographs, providing the reader with...
