

30 Thoughts to Ponder Vol. 7: Inspiration Series #1

By Eli M Borden Phd

Createspace, United States, 2014. Paperback. Book Condition: New. Wilsie S Borden (illustrator). 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.I m pleased to release volume seven in the series of inspirational messages based on radio-spots I presented a few years ago. I originally prepared each one for oral presentation, so some adapting has taken place as I have reworked them for e-copies and print. I have enjoyed the challenge of locating Scriptures to include with each message. The principles and truths found in the thoughts are timeless. I hope and pray my readers will benefit from life s lessons presented in these short messages. I mentioned in an earlier volume that the messages presented are based on ESP - Experience, Scripture, and Prayer. Each reader may be moved in different ways by these selections, but I feel certain that something will be found within the Experiences, Scriptures, and Prayers to help you make it through the day.
