

From 1989, or European Music and the Modernist Unconscious (Hardback)

By Seth Brodsky

University of California Press, United States, 2017. Hardback. Condition: New. Language: English . Brand New Book. What happened to musical modernism? When did it end? Did it end? In this unorthodox Lacanian account of European New Music, Seth Brodsky focuses on the unlikely year 1989, when New Music hardly takes center stage. Instead one finds Rostropovich playing Bach at Checkpoint Charlie; or Bernstein changing Joy to Freedom in Beethoven's Ninth; or David Hasselhoff lip-synching Looking for Freedom to thousands on New Year's Eve. But if such spectacles claim to master their historical moment, New Music unconsciously takes the role of analyst. In so doing, it restages earlier scenes of modernism. As world politics witnesses a turning away from the possibility of revolution, musical modernism revolves in place, performing century-old tasks of losing, failing, and beginning again, in preparation for a revolution to come.

Reviews

It is a single of my favorite pdf. Yes, it is engaging, still an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Dr. Keeley Windler**

The publication is easy to read, safer to comprehend. It is actually really intriguing through studying time. I am easily will get a delight of looking at a created publication.
