No voice. No personal direction. For 17 years, it's the only path I've known. Always a follower, never in control, I am an afterthought, burying my impulses as I bend to the whims of another. I dream of someone taking notice of falling in love and being kissed. But I probably never will. My name is Antares. I am a Shadow. Deep in a secluded canyon lies Talline, a metropolis of mirrors filled with forces called Pentrals that outline our very existence. Antares, Pentral Class Two, took an oath to act without influence or opinion. But in a cruel twist of fate, she must watch as Violet, her person, encounters a tragedy that will change both their lives forever. When Violet starts making careless choices, Antares can no longer remain a silent silhouette. She won't allow lost friendships, broken hearts, or those mysterious menaces looking out from the glass to tear apart Violet's very being. In doing so, Antares unknowingly crosses forbidden boundaries and ends up illuminating a darkness much deeper than her own. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
