Reviews

This ebook will be worth buying. It usually fails to charge too much. You will not sense monotony at at any time of your time (that's what catalogs are for regarding when you check with me).

(Retha Frami V)

A WEE CHRISTMAS HOMICIDE

Kensington Publishing. Paperback / softback. Book Condition: new. BRAND NEW, A Wee Christmas Homicide, Kaitlyn Dunnett, 'Tis the season to be jolly, but in Moosetookalook, Maine, Christmas cheer is in short supply due to a snowless winter that's keeping skiers and shoppers at a distance. Fortunately, Liss MacCrimmon of the Scottish Emporium has a plan. . . Liss's brainstorm focuses on Tiny Teddies, the new "hot" toy of the season. Every store across the country is out of stock--except a few wee establishments in good ol' Moosetookalook. The first sign of something amiss occurs when the last Tiny Teddy is summarily executed: shot through the heart in the display window of greedy toy store owner Gavin Thorne. But the Teddy's demise is just a precursor to the eerily similar murder of Gavin himself. . . Now, with the Twelve (or, in Scots terms, the Daft) Days of Christmas rapidly approaching, Liss has a plate full of things worse than haggis to contend with, starting with a stockroom packed with poultry (don't ask), and ending with a killer who'd like to see Liss's goose well and fully cooked. . . "A picturesque location, a bit of romance, some suspense, and a cast of appealingly quirky characters." --"Booklist" "The blend of romance and cozy mystery will please lovers of all things Scottish."--"Kirkus Reviews" "Perfect for the holiday season."--"Romantic Times".
