## THE WINEMAKERS DINNER: APPETIZERS

Omnific Publishing. Paperback. Book Condition: New. Paperback. 240 pages. Combining glitz, glamour, and hot romance, The Winemakers Dinner: Appetizers is one of the best romance novels of the year. 5 stars, Book Savvy BabeEvery Drummond and Ivan Rusilko serve up one hell of a treat and if this is just the appetizer, whoa baby, what do we have in store for the main course then 5 stars, Riverina RomanticsThis book had everything I love to see in a romance. There was chemistry, a little bit of lust, some cat and mouse chase thrown in there, those sweet and tender moments, a massive amount of sexy, and a pinch of day-umm. 5 stars, She Who Blogs Behind the RowsThank you Dr. Rusilko and Ms. Drummond for a wonderfully different concept that made one hell of a read! I cannot wait for the other installments in this series and how Jaden and Ivan grow. You have earned a fan and I will be recommending this book to all! Cheers! 5 stars, Darhk Portal The publisher has referred to this as his fictionalized erotic memoir. The fact this person is also the co-author, a doctor, a model, and Mr. USA not once, but twice This by itself makes for a crazy mix in an erotic romance novel. The whole time reading this book I kept thinking, Is this real Is that real It truly makes for a one of a kind reading experience that Im looking forward to continuing in the sequels. Pour a glass of Mollydooker and settle in. - 5 stars, A Tale of Many Book ReviewsIf only there were more men like the hero of this story. The Reading CafRecently named executive chef at one of Miami Beachs hottest restaurants, Jaden Thorne is determined to make her culinary mark and...
