THE CRANIOVERTEBRAL JUNCTION: DIAGNOSIS - PATHOLOGY - SURGICAL TECHNIQUES (HARDBACK)

Thieme Publishing Group, Germany, 2011. Hardback Condition: New. Language: English. Brand New Book. Written by masters in the field, *The Craniovertebral Junction: Diagnosis, Pathology, Surgical Techniques* provides in-depth coverage of up-to-date management principles for this delicate anatomic region. After a brief introduction to anatomy, biomedical considerations, and embryology, the multidisciplinary team of authors, led by Professor Goel, discusses in detail the most innovative fixation and stabilization techniques for atlantoaxial dislocation, as well as congenital, infective, and acquired anomalies in the...

Reviews

Here is the finest publication i have read through until now. I am quite late in start reading this one, but better then never. I am just easily can get a pleasure of studying a created publication.

-- **Morgan Bashirian**

These kinds of ebook is the perfect publication offered. It is among the most incredible publication i have go through. You will not feel monotonny at whenever you want of your time (that's what catalogues are for concerning if you check with me).
