AGING, MEDIA, AND CULTURE

Lexington Books, United States, 2015. Paperback Book Condition: New. 228 x 153 mm. Language: English. Brand New Book. The intersections of aging, media, and culture are under-explored given trends in population aging, rapid increases in the mediation of everyday life, and the growing cultural significance of media consumption at the global level. This book brings together an international collection of critical scholars, both well-established and up-and-coming, from the various academic disciplines that share a common interest in the future...
