

Peach Fuzz Baggage: Pcos from a Survivors Point of View (Paperback)

By Kimberly Davis

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Polycystic Ovarian Syndrome is a commonly misunderstood condition. Women who suffer from PCOS often suffer alone and in silence. The symptoms of PCOS often mimic other conditions and can be misdiagnosed and mistreated. Many women are left to suffer without any answers. Polycystic Ovarian Syndrome contains a myriad of issues including; infertility, elevated blood sugars, elevated blood pressure, weight gain and chronic ovarian cysts. Also, one of the hardest issues to deal with: the emotional impact on a woman with PCOS. It can even affect relationships with partners, children and extended families. In this book, the author extends compassion from both a personal journey and over 24 years in the medical field. As you read, you will find the answers you need and the uplifting strength of someone who understands by your side. This book will help you understand that PCOS is an illness that happens on the inside, even when you look fine on the outside. Women who feel the symptoms will often go from doctor to doctor looking for answers to no avail. PCOS can even evade...
