

Winning at the Online Dating Game: Stack the Deck in Your Favor (Paperback)

By Dating Goddess

Dating Goddess Productions, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Demystify online dating Internet dating can be frustrating or fruitful. It will be less exasperating if you know how to read and weed out unsuitable men s profiles. And you ll have a steady flow of potential suitors if you can write a compelling profile. Online dating sites can be daunting for newbie midlife daters. How do you navigate the catalog of potential sweeties and connect with those likely to be a fit? How do you learn the secret code in some profile descriptions? Many midlifers reentering the dating pool think joining an online dating site will be the perfect way to have an unending stream of potential sweeties filling their inbox with flirty, witty and alluring emails. Sure, it can happen. And it does for a few. But many of those listed on dating sites never get one date. Not one. How can you mine the dating pool to yield nice, interesting, sane, and caring potential sweethearts? This book focuses on the ins and outs of Internet dating. Just like a sport, hobby or game, online dating has it...

Reviews

Complete guideline for publication fans. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Llewellyn Terry

This ebook will be worth buying. It usually fails to charge too much. You will not sense monotony at at any time of your time (that's what catalogs are for regarding when you check with me).
