

## Browne and Beyond: Modernizing English higher education (Paperback)

By -

Institute of Education Press, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book. Reflecting the changing ideological and economic perspectives of the government of the day, the expansion of higher education in England has prompted numerous reforms aimed at reshaping and restructuring the sector and its funding. Leading to student riots and sparking some of the sharpest controversies in British higher education, the reforms introduced in 2012/13 are by far the most radical and those concerning higher education funding and student finances the most far-reaching. This book unpacks the drivers for the reforms while locating them in a broad historical, ideological, and policy context. Informed by the vast literature and research on higher education this book brings together recognized experts including leading academics and policy analysts. Divided into two parts, the first provides history and context while the second examines particular issues and themes, including: historical antecedents of the reforms and tuition fee policies; the distinctive characteristics of the reforms; an economic critique of the limits to marketization and the commodification of higher education; the drivers behind social mobility and widening participation and the subsequent impact of tuition fees; the consequences of fee-setting policies among institutions; the...
