Jane Boyle thought she'd met the man of her dreams. But it's hard to live happily ever after when you realise your new mother-in-law is literally a witch, determined to steal the magical powers you didn't even know you had. When Jane discovers that the man she fell in love with is a mere pawn in her mother-in-law's cunning plan, she flees. Now Jane is alone and on the run, hiding out in Manhattan. But Jane can't hide forever. One magical Park Avenue makeover later and Jane is ready to settle the score with her witch of a mother-in-law.
