

Guide to Bee-Keeping in British Columbia (Classic Reprint) (Paperback)

By Frederick Dundas Todd

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Guide to Bee-Keeping in British Columbia The replies received cover these regions fairly well, sufficient to at least give an indication of the possibilities in different localities. In the Eastern Provinces of Canada, especially in Ontario, there are many men who depend on bee-keeping entirely as a means of livelihood, but, so far as is known, there is no such development of the industry in British Columbia. Thus far the largest number of hives reported as being operated by one individual is fifty, but any one confining his energies to bee-keeping alone generally considers 300 hives as the minimum number on which to spend his efforts, these being usually scattered over a considerable territory. On the other hand, it has been learned that bee-keeping as a side issue is much more common than was anticipated; in fact, in the dairying and fruit-raising districts a small apiary would seem to be a necessary feature of almost every ranch. In some localities from which the information is rather complete there is seemingly one keeper of bees to every twenty people. This fact is...
