Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Pittsburgh Privateers third baseman Gavin Sullivan is home on Anna Maria Island with a lot on his mind: his mother's recent battle with breast cancer and, now, the surprising news his oldest brother, Colby, is a twin. Gavin has a sister he's never met, and worse, he's sworn to secrecy while his parents try to find her. Is it any wonder he shows up to Spring Training thirty pounds heavier than last season? Armed with a complicated diet and a warning from Coach Zee, Gavin feels wrecked, until he finds a half-naked goddess on his parents stretch of beach. Funny how the body that has been making him feel so miserable lately suddenly has him flying high. Curve model Emerson Raye wants to prove the naysayers back home in West Virginia wrong. Big is beautiful, too. All she has to do is land a spot in the Sports Unlimited Swimsuit Edition by convincing America to vote for her. When pro athlete Gavin Sullivan stumbles onto her oceanfront photo shoot and asks her out for drinks, Emerson and her assistant concoct a plan to leak photos of the date to the media and create the vote-getting buzz Emerson needs. Soon, Emerson realizes there's more to Gavin than meets the eye, and their temporary, no-strings relationship heats up. But can something lasting survive under harsh media scrutiny when secrets threaten to sabotage everything?.
