

Moonbow Poems (Paperback)

By Russell Salamon

Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Ray Bradbury says, Russell Salamon. your poetic images float above the earth without touching; you are a poet from the marrow out. When the moon is full it makes night rainbows over waterfalls and at edges of rainstorms. It gives a kind of forest in the imagination if you could see them. They are called moonbows, but they are also ways to look at the earth, the secret colors in the night that could lead you into wide seeing, sometimes straight into a soul, or beloved friend. It is a way to travel with the moon across lakes, rivers, army encampments, hungry children moaning. Moonbows look white at first, but as your eyes get used to night vision, the colors appear --then it is easy to start thinking about origins of life, origins of thought: thoughts about knowing impossible things. Your eyes take on inner qualities of time travel, memories of the future shining down in full moonlight. You start to see with the eyes of art, divine eyes of origin, and what you were doing before the beginning of light. The...
