Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.50 original mandala illustrations Single-sided printing Easy difficulty level If you love to colour mandalas or kaleidoscopes, but want designs that aren't very complex, Simple Mandalas is the book for you! This book has 50 original mandala colouring pages, which have been designed with large spaces and not too many details. This makes the book perfect for beginners, as well as for anybody who just wants to relax with easy mandala images that won't take too long to complete. These are not computer-generated mandalas. They have all been designed by hand, and digitally redrawn to create smooth lines and flawless symmetry. You won't find these designs anywhere else! You can preview all the designs in this book on the author's website - for the URL, click the author name, and see the left hand sidebar. The images are printed single-sided, so you can color with markers, as well as pencils and other media. As with most coloring books, some types of marker may bleed through slightly. To avoid damage to the image underneath, it's helpful to place a piece of paper under the image you're coloring. You'll find two blank pages at the back of the book for this purpose. Simple Mandalas is also available in a mini travel size version, measuring 5.25 x 8 inches. You might also be interested in the following titles by the same author, which feature designs in a similar style: Easy Mandalas (also available in mini and black background versions) Magic Mandalas (very easy) Abstract Mandalas (moderate difficulty) Through the Kaleidoscope (full page mandala designs of mixed difficulty).
