

Erika Roth's Unbelievable Book of Poetry (Paperback)

By Erika Roth

Gridley Fires Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Fourth grader Erika Roth's poems are disarming in their insight into the human condition, and the subtle changes of voice are far beyond her years. Her poetry ranges from modern free verse to limericks and haiku, and her grasp of these poetic structures is in some cases as well developed as a high schooler's. Erika's book lay undiscovered until early 2018, when they were rediscovered by her mother.

The book is great and fantastic. Better than never, though I am quite late in starting to read this one. I realized this publication from my dad and I advised this ebook to find out.
