*This book is fantastic. This is certainly for all those who state there had not been a really worth reading. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Heeding the advice of their pastor, they join a home group under the leadership of Bob and Cathy Roberts. Each shares their hearts desire during the groups first meeting. Delbert hopes for Gods approval and unconditional love, something he never received from his earthly father. Sherry wants what she never had: a real family for herself and her eight-year-old daughter, Hayley. Another home-group member, James, appears to be the perfect solution for Sherry. Things seem to be going well, until Hayley inexplicably begins to change. It soon becomes apparent that something is terribly wrong with the little girl.
