Metallurgy and the mechanic arts of the University of Minnesota is intended to prepare students for the active practice of the professions of Civil, Mechanical, Electrical, Chemical and Mining, Engineering also Architecture and Metallurgy. Applicant for admission must be at least fourteen years old and must show proficiency in the following studies: English Grammar and Composition with an Essay; Elementary and Higher Algebra; Plane and Solid Geometry: History of the United States and of Greece and Rome; Physiology; Natural Philosophy; Chemistry. Botany; Mechanical Drawing; German or French; English; while four year s work in Latin may be offered in lieu of these languages, students arc urged to present their preparation in German or French. The work of the freshman and sophomore years is intended to lay a foundation in mathematics, physical sciences and elementary engineering work for the more strictly technical work of the junior and senior years. The equipment of the college is very complete. The instruction is made thoroughly practical. For this cud the situation of the institution is most favorable. In one or the other of the Twin Cities some large work in charge of the best engineering skill is constantly going on. In the cities of the Northwest, notably Minneapolis, Saint Paul, Duluth and West Superior, are many manufacturing establishments, electric light and power stations, metallurgical works, ore dock* and railway shops; in Minnesota and other neighboring states, easily accessible from the university, are situated some of the most interesting mining districts of North America. Visits and excursions are planned at convenient times for investigating the practical application, in a large way and under business...
