## IN THE KINGDOM OF THE SICK: A SOCIAL HISTORY OF CHRONIC ILLNESS IN AMERICA (PAPERBACK)

[DOWNLOAD](#)

Bloomsbury Publishing PLC, United States, 2014. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Thirty years ago, Susan Sontag famously wrote, Everyone who is born holds dual citizenship, in the kingdom of the well and the kingdom of the sick . . . Sooner or later each of us is obliged, at least for a spell, to identify ourselves as citizens of that other place. More than 133 million Americans now live with chronic illness, accounting for nearly three quarters of all health care dollars and untold pain, disability, and heartbreak. Patients with diseases as varied as HIV, cancer, or type 2 diabetes have been stigmatized, accused of causing their preventable illnesses through their lifestyle choices. People with irritable bowel syndrome and female patients with chronic fatigue syndrome have been told their symptoms were due to anxiety; and millions of people with chronic pain have faced skepticism from physicians and the public alike. What *The Noonday Demon* did for people suffering from depression, Laurie Edwards does for those who are chronically ill, championing their cause and giving voice to their lament.
