LIFE ETERNAL: PAST - PRESENT - FUTURE (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. From the PREFACE. I Address myself more especially to those who imagine they believe in eternal life, though they do not even believe in a past life previous to birth; the result being that, instead of fixing their faith in eternal life, in reality they believe in nothing but a future life following on death. This contradiction with their alleged faith in eternal life, which ought to take into account both the life previous to birth and that following on death, combined with this confusion and identification of the future with the eternal, prevent them from understanding the present life, the bond between the past and the future, and from practising it, as does the man who really believes in that life eternal which includes past, present, and future. I also address myself to those who fervently and legitimately maintain the perpetuation of their individuality or personality, of what they call the future life and the salvation of the soul, forgetting that there neither is nor can be, by the utmost stretch of fancy or imagination, any individuality separate from the environment from which it is ever drawing, and to which it is ever giving, its own life. Consequently, my object is to make people understand and feel that any belief in the perpetuation of the personality, unless it implies belief in the simultaneous perpetuation of the environment in which the personality is living, is nothing more than a fatal abstraction, a selfish dream separating an individual from what he ought to love, man from his fellow-men, being from all that is not IT. I believe in life eternal, i.e. past, present, and future. I believe in the perpetuation of my...
