Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.A burnt out pastor thinks hes living hell until he actually goes there. Pastor Micah had no idea what kind of powder keg he was stepping into with his new church assignment. Half the Gulf Coast congregation hates him, the chairman of the board is out to get him, a church split is in the works, his youngest daughter suffers from an autoimmune disease, his marriage in turmoil, and years of 60 hour work weeks without a vacation are taking their toll. And thats only the beginning. In seminary a professor had joked, "ministry is hard; then you die," but it was no joke to Micahthe stress is killing him and death seems a reasonable option for escape. Maybe imminent hurricane Charlie will do that for him; he doesnt care. That is until a mysterious old woman shows up to take him on a series of interdimensional journeysaround the world, to heaven, to hell and far beyond what hed ever imagined. Just as things come crashing down around Micah, and hes questioning everything he believes in and pondering leaving it all behind, his eyes are opened to a few astounding realities. Does God cause the chaos? If Hes truly Sovereign then isnt He responsible for the mess the world is in? How can such a god be loving? How can He be trusted? A work of supernatural, spiritual and speculative fiction based on actual events.
