Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The New England States This Supplement is designed for use during a portion of one of the closing years of the grammar school course, and is based upon the previous books of the Series. The work accords with the Series in its causal treatment of geography and in the full presentation of more important topics. In harmony with the chapter on Industry and Commerce in the First Book on Home Geography, the social and industrial life of New England have been traced through their development from pioneer days, thus making clear the gradual action of geographic controls, and affording a vantage ground of contrast whereby present geographic conditions may be appreciated. This historical treatment of New England industries and the related consideration of all important cities has made it possible to avoid the uninteresting lists of cities and towns with their products, which comprise so large a part of many state supplements. To the same end, the communities of each state are considered collectively in the physiographic districts and industrial groups to which they belong,...
