Createspace Independent Publishing Platform, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Hidden within the snowy confines of the mountains, deep in the Alaskan wilderness, where no man has ever set foot, lies the peaceful and mysterious Amara. Home of The Everheart. The holder of many secrets, most importantly it is the magic of winter, its unquantifiable power could bring the mortal world to its knees. This power is craved by many. The Everheart is protected by mystical beings of pure heart, strength and honour. They have lived undiscovered since the dawn of existence. Giant celestial, wolf-like creatures; with manes of white fur. Beautiful and noble, they carried themselves with majestic grace. These are the Amaran Snow Guardians, sworn to protect the Everheart and all of mankind. A new generation of Chosen Ones must succeed in their quest, in order to gain their full powers as Guardians and return to Amara. One young potential may be the last hope for the mortal world; for as they complete their tasks, a bigger more terrifying darkness is spreading and it s not far behind. *Ideal for children and adults who enjoy reading about animals and fantasy heroes. An actual tale of the underdog and his fight to keep all he loves from harm. The first in The Snow Guardians book series, in which we are taken through multiple realms by various characters who are far from what they appear. A good book for advanced readers alone or a lovely journey into far off lands to share with a family member. Adventure with friends, suspense and even some laughs along the way. Join the Snow Guardians on the very beginning of their epic adventures.
