Polity. Paperback. Condition: New. 196 pages. This book introduces the fast-developing field of book history. James Raven, a leading historian of the book, offers a fresh and accessible guide to the global study of the production, dissemination and reception of written and printed texts across all societies and in all ages. Students, teachers, researchers and general readers will benefit from the books investigation of the subjects origins, scope and future direction. Based on original research and a wide range of sources, What is the History of the Book shows how book history crosses disciplinary boundaries and intersects with literary, historical, communications, media, library and conservation studies. Raven uses examples from around the world to explore different traditions in bibliography, palaeography and manuscript studies. He analyses book historys growing global ambition and demonstrates how the study of reading practises opens up new horizons in social history and the history of knowledge. He shows how book history is contributing to debates about intellectual and popular culture, colonialism and the communication of ideas. The first global, accessible introduction to the field of book history from ancient to modern times, What is the History of the Book is essential reading for all those interested in one of societys most important cultural artefacts. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
