Wipf Stock Publishers, 2017. Paperback. Condition: New. Language: English . Brand New Book. Hope is a widespread, if not a universal, human experience. For centuries, followers of Jesus of Nazareth have ordered their lives around a central hope. How is their experience similar to or different from others who live by hope? This book seeks an answer in the idea that living by hope involves living within a peculiar story of the world--an incomplete story. The stories that shape these hopes are threatened by evil, however it may be defined--the hopeful struggle as characters caught up in plots that move toward resolution. They exercise an as-yet unverified hope that evil will not prevail. In this regard, the hope of Christians is similar to others. Yet, it is different because they wait for the God of Jesus to transform the world to match the promise he made to Abraham. To arrive at this conclusion, this book takes a detour through four model life-organizing stories. Christians and participants in other stories-of-the-world may not agree on the ultimate ground for hope. However, taking a detour into the hopeful experience of another may help uncover a place where rivals can stand together long enough to talk. Michael Zeigler's insightful text rightly returns us to the immense power of life-organizing stories. The Christian description of reality continues to mold and shape our individual narratives, imbuing them with meaning found in the cross and empty tomb--the place where the essential conflict between God, sin, and humanity is resolved. Ever gracious, Christian Hope Among Rivals invites Christians into meaningful conversation with other traditions without surrendering the profound hope that is offered in Christ alone. --Joel Oesch, Associate Professor of Theology, Concordia University Irvine Michael Zeigler ventures into the thickets of our everyday confrontations with a variety...
