Reviews

It is one of my personal favorite books. It is written in easy terms and never hard to understand. It has been designed in an exceedingly easy way and it is only after I finished reading this publication by which in fact changed me, change the way I think.

Not illustrated. 1888 Excerpt: . . . you can dignify the cultivation of a ten acre patch of mountain side, or a less number of acres of gravelly bottom land, with the distinction that attaches to a farm--are performed without the aid of any four footed beast. The Swiss peasant is, to my mind, the hardest worked and poorest paid laborer in Europe. His crop of hay, secured for the sustenance of the goats whereby the supply of Switzerland is perpetuated, is packed in bundles and carried on the head, uphill and down, and often a long distance to the goat shed. By reason of the shortness of the season and the sterility of the soil, but a meager crop is secured. Hay in Kansas, marketed under the same circumstances, would be worth, I imagine, about ninety-eight dollars a ton. It is truly pitiable to see these hard-worked, under-paid and under-fed people in the struggle for existence economizing in the minutest respect in everything. Their industry and frugality were a common subject of remark, for they were ever present before us. . Children at the age of four years are taught to knit, and the little weazened faces on the doorsteps that looked at us with eyes askance, the flaxen hair twisted in a little knot like their mothers, the bare feet and coarse though tidy gown, the poor little thin hands that so deftly plied the needles, all told of poverty, but honest poverty, the poverty that would toil on, suffer on,...
