

## Confronting Global Neoliberalism (Paperback)

By Richard Westra

Clarity Press, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book. With the world's attention fixed on the travails of leading global economies due to a still unfolding financial crisis of gigantic proportions, there has been a studied silence on the fate of the third world as the malaise increasingly impacts it. This silence is particularly disturbing because questions of potential pitfalls in the neoliberal policy package, which the third world (unlike Western Europe and Japan) was largely forced to adopt, were never countenanced. as One third world state after another discovered that international institutions were in effect hostile to their governments if they chose alternative developmental models or otherwise resisted the neoliberal triage of liberalization, privatization and deregulation. This collection is a tour de force, effectively countering not only the neoliberal ideology of development as a whole but the marginalizing within today's mainstream crisis discourse of any discussion of the monstrous misallocation of global resources wrought by the so-called Washington Consensus and the suffering and destruction it has wreaked on third world peoples and economies. This edited volume is intended as both a textbook for introductory classes in global development or area studies and...
