Keeping a food log has been proven to be one of the most effective tools for people to make lifestyle choices in regard to the healthy consumption of food. There are many studies that have shown that people who keep food journals are more likely to be successful in losing weight and keeping it off. In a six month study published in the American Journal of Preventive Medicine, people keeping a food diary six days a week lost about twice as much weight as those who kept food records one day a week or less. Conveniently pocket sized (6 x 9 ), the Food and Exercise Journal has been designed for flexibility; you don t have to fill out every single area marked if you don t want to . just try to be consistent so when you review your entries over a week (or month or longer), you have information that can help you understand your eating behavior and how you are -- or should be - eating so you can strip of the pounds and keep em off. Get the results you want and deserve, buy the Food and Exercise Journal right now.
