Reviews

This publication might be well worth a study, and much better than other. It is among the most awesome book i have got study. You may like the way the article writer publish this publication.
(Dr. Paige Bartell)

ENGLISH, CONVERSATIONAL TOPICS, PRE-INTERMEDIATE LEVEL (ENGLISH, FLUENCY PRACTICE INTERMEDIATE LEVEL) (VOLUME 1)

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 106 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. This collection of stories on fifty topics will help students of English go through the most vulnerable period of learning pre-intermediate level. At this stage students do not see their progress clearly enough and often feel increasingly anxious and frustrated. All the fifty stories are accounts of Julia's everyday life. Being a real person Julia tells her stories in a very natural way revealing her own style and manner, repeating the same grammatical structures and word combinations. As a result, students easily remember the stories, speaking more and more fluently. Fluency practice drills that accompany each topic accelerate the transition from pre-intermediate into intermediate level. The series is based on the Speech Plasma Method. The Speech Plasma Method uses special Speech Fluency Drills to generate a super active area, speech plasma thus producing all the necessary conditions for spontaneous, automatic speech. Once created in your mind, speech plasma acts as a stimulator for further language learning. The bigger and stronger your speech plasma grows, the more fluently you speak, the easier it is to absorb new words and grammar rules, the faster you read, and the better you understand oral texts. Audiobook version of the volume is available on Audible. This item ships from La Vergne, TN. Paperback.
